

2 Teacher Recruitment – New effective teachers are needed

Teachers in MN, ND and SD¹

Number of Teachers

- **MN, ND, and SD will need ~30,000 new teachers over the next 10 years¹**
- **Partner institutions plan to produce ~3,500 graduates per year²**

¹ Expected new teachers is estimated based on the number of new teachers hired annually in MN, ND, and SD, projected over 10 years

² Planned annual graduates reflects the annual, steady state number of graduates expected by 2018
